## GENERAL INFORMATION

### OBJECT OF THE SUMMER SESSION

The Summer Session is intended to provide instruction for regular students of this and other colleges and universities and for those engaged during the winter in teaching.

### LOCATION

The location of Shaw University is especially convenient, situated practically in the heart of the Capital City. No car or cab fares will be necessary to visit the shopping district, State Department of Education, State Museum, State Library, Hall of History, and other places of educational interest. An exceedingly bracing and healthful climate makes this city an ideal place for residence and study.

### FACULTY

The faculty for the Summer Session will be composed primarily of the regular members of the Shaw University faculty, together with additional specialists in the field of education.

### LIBRARY

A well-equipped and attractive library, consisting of approximately 24,362 books, is located in Tyler Hall. It is supervised by a competent librarian who aids the students in their reference work and guides them in their general reading. Magazines and daily and weekly newspapers provide means for the information of students on current events. It is the aim of the Administration to make the library a place of great usefulness in the education of the students in technical knowledge and general culture.

### OBSERVATION AND DIRECTED TEACHING FACILITIES

Local conditions make it impossible for the University to offer observation and directed teaching facilities during the summer.

### DORMITORY FACILITIES

Persons desiring dormitory accommodations during the Summer School should indicate that fact to the Registrar, not later than May 31; send key deposit of \$2.00 with application prior to that date, making money-order payable to Shaw University. The University has adequate housing for those who desire to live on the campus. The women students are under the supervision of the Dean of Women who is assisted by dormitory hostesses, and the men students are under the supervision of the Dean of Men and assistants.

## RECREATION

Tennis, croquet, softball, and sightseeing tours are among the forms of recreation provided by the University.

In addition, several social events are held for the students and faculty of the Summer School.

## TEACHER'S EMPLOYMENT BUREAU

The Bureau has secured each year a large number of teaching and administrative positions for graduates and former students. It exists for the double purpose of supplying the needs of school officials over the State and of helping students and former students to find teaching and administrative positions for which they are best suited.

## ASSEMBLY

Assembly exercises are held in Greenleaf Memorial Hall periodically during the session. All students are expected to attend these exercises. Special addresses are arranged and interesting recitals presented.

## REGISTRATION

Teachers are requested to bring their certificates, credit slips from summer schools previously attended, diplomas or other evidences of training. These will be needed for registration the first day. No student should expect to enter and receive credit after Friday, June 8.

## ADMISSION

Written application should be made and forwarded in advance. A transcript signed by the president or principal of the school attended, containing a full record of the subjects pursued by the student with the time devoted to each, and his standing in the same, should be sent to the Registrar of the University before the student registers. Application blanks will be furnished on request and should be filled out and returned promptly.

Courses are organized to serve the needs of the following persons:

- (a) High school graduates
- (b) College students
- (c) College graduates interested in renewing certificates
- (d) Holders of any of the following certificates:

1. Elementary—any class

## WORKSHOP-SEMINAR FOR PRINCIPALS, SUPERVISORS AND TEACHERS

Because of the success of the workshop-seminar of other years, plans are being made to provide a workshop-seminar for teachers, principals, and supervisors. The workshop-seminar is designed to give its members an opportunity to clarify their thinking on problems of educational philosophy, and to give them assistance in defining educational objectives. Each member will be given a chance to work on problems which are encountered in his particular school situation. Those who bring similar problems will be encouraged to work in small, informal groups. In addition, they will have easy access to the services of a group of sympathetic and competent workshop specialists.

Those who attend will be given credit for six semester hours. These hours will fulfill the state's requirement for certificate renewal, and, at the same time, will satisfy a requirement in reading or methods for those who may be changing a high school certificate to a primary or grammar grade A.

Those interested in the development of reading programs for their schools will be given opportunities to work in this area. Members of our staff, persons from the State Department of Public Instruction, and competent workshop consultants from colleges and universities in this section will be available for special assistance.

Registration for workshop will begin June 6. Special fee of \$6.00 in addition to regular charges.

For further information, please feel free to communicate with the Director of Summer School.

Dr. Grady D. Davis, General Director

**ONE WEEK:** From Noon, Monday, June 4 until Friday, June 8, 1956

Annually during the second week in June, Shaw University promotes an Institute for Ministers in cooperation with the General Baptist State Convention, and a Leadership Training Conference in cooperation with the Women's Home and Foreign Missionary Convention of North Carolina. The program provides courses of study dealing with subjects of interest to pastors: discussions and open forums on topics of vital interest; addresses and platform talks by specialists in various phases of religious work; and opportunities for fellowship with fellow ministers of varied experiences and backgrounds.

The Institute for Ministers and the Women's Leadership Training Conference will be held at the same time, June 4-8. Registration \$1.50;

room and board for the entire week, \$8.50. For further information, ministers should write to Dr. Grady Davis, Shaw University, Raleigh, North Carolina; women Missionary workers should write to Mrs. Ellen S. Alston, Post Office Box 1818, Raleigh, North Carolina.

Dr. Grady Davis, Director

TWO WEEKS: Beginning Monday, June 11, and ending Friday, June 22, 1956

The classes will meet from Monday to Friday of each week so that ministers may return to their church fields if desired. The fees will be \$10.00 a week including course fees, room and board for those who bring their sheets, pillow cases, and towels. The charges will be \$12.00 per week for those who do not bring their linen. Persons not living in the dormitories will pay \$4.50 a week. A laboratory fee of \$1.00 will be paid by each student for materials to be used in the handicrafts course. About \$5.00 will be needed for books and other supplies. For further information, write to Dr. Grady D. Davis, Shaw University, Raleigh, North Carolina.

## III. WOMEN'S MISSIONARY STUDY COURSES

TWO WEEKS: Beginning Monday, June 11, and ending Friday, June 22, 1956

This summer Shaw University continues a summer study program for Missionary Women as another phase of the program of the Missionary Training Department. The work will be so organized that over a period of years, women who have completed the total program will receive a certificate. These are not the courses which are to be taken by the students in the college working for the A. B. degree with a major in Religious Education, but are designed for women who are already in the missionary program in their churches, or wish to prepare themselves for the improvement of such activities.

Classes meet Monday to Friday of each week so that the Missionary Workers may return home each weekend, if desired. The fees will be \$10.00 a week including course fees, room and board for those who bring their sheets, pillow cases, and towels. The charges will be \$12.00 a week for those who do not bring their linen. Persons not living in the dormitories will pay \$4.50 a week.
